The Honorable Henry J. Hyde  
House of Representatives  
Washington, D.C. 20515

Dear Mr. Hyde:

We want to thank you once again for the very fine presentation you gave to our Advanced Intelligence Seminar on June 6. Students and staff uniformly cited it as one of the highlights of the Seminar. They appreciated the historical framework you provided for understanding the making of our foreign policy, as well as your valuable insights into the role of Congress in this process. They particularly enjoyed the humor and enthusiasm with which you approached your topic.

We know your schedule is a busy one and we certainly appreciate your taking the time to meet with us.

Sincerely,
